Example: blister wall, retail displays with hooks

Example: Shelf wall (white)

Example: Shelf wall on wall graphic

How many wall meters are to be used as environmentally friendly textile wall graphics/wood decor/blister wall/shelf wall is decided by each co-exhibitor himself in consultation with the stand builder.

The wall graphics must be sent to the print shop by e-mail/data transfer at least 1-2 months before the start of the trade fair.

All graphics become your property after the trade fair and can be used by you for other purposes. **Please take the graphics with you directly from the trade fair or agree a chargeable storage with our graphics service provider BEFORE the end of the trade fair**. In the event that you decide not to use the stored graphics before the start of the trade fair, this fee is still due). Conditions for reuse in the Reseller Park: exactly the same stand size in the follow-up project, timeless design of the graphics and degree of soiling/damage. The reinstallation costs are € 95 plus VAT per running meter of wall.
